1. INTRODUCTION

1.1. Purpose

This document shall serve as a procedural guide for the application of all Oil and Gas Industry Service Permits (OGISP).

1.2. Applicability

Any company registered in Nigeria may be issued a permit by the Commission, pursuant to the Petroleum Industry Act (PIA), 2021 applicable regulations and these guidelines.

A company may be issued one or more permits under these guidelines.

1.3. Legal Framework

- I. These guidelines are issued pursuant to section 10 (f) of the Petroleum Industry Act 2021, which empowers the Nigerian Upstream Petroleum Regulatory Commission (NUPRC) to formulate Guidelines from time to time for the smooth and safe operations in the Oil and Gas Industry.
- II. These guidelines are of general application and are issued pursuant to regulations requiring that every company rendering services (such as prescribed in these guidelines) to Licensees and Lessees in the upstream petroleum industry shall be issued a permit by the Commission.

2. APPLICATION FOR PERMITS

2.1.1. Applications for permits pursuant to these Guidelines shall be made on the Oil and Gas Industry Service Permit platform established by the Commission and shall be subject to the following conditions-

2.1.2. All permits issued pursuant to these Guidelines shall expire on the anniversary of the date of issue as reflected on the permit.

2.1.3. The use of proxies in submission of application is discouraged and the NUPRC shall not indemnify any company (or persons) against any loss arising therefrom.

2.1.4. The use of forged documents or any attempt to induce the Commission staff nullifies an application and any fees paid in respect of the application shall be forfeited to the Commission.

2.1.5. The Commission may blacklist a company who submits a forged document or attempts to induce the Commission staff and deactivate the account of the company on the OGISP platform.

- 2.1.6.** To reactivate a delisted account, a company may be subjected to a compliance test and the payment of an administrative fine as prescribed in Regulations issued by the Commission.
- 2.1.7.** Submission of Tax Clearance Certificates (TCC) issued by the Federal Inland Revenue Service (FIRS) for private and public companies. (Tax Clearance Certificates uploaded in applications during the preceding permit year are acceptable until 31st March of the new year)
- 2.1.8.** Submission of Nigeria Social Insurance Trust Fund (NSITF) payment receipt or certificate.
- 2.1.9.** A company shall be responsible for any information's or document submitted on the OGISP platform and the Commission shall not absolve the company of responsibility for any infringement of these guidelines on the grounds that the submission was done by a third party.
- 2.1.10.** Applicants shall ensure that all required documentation are available and ready for upload before payment is made.
- 2.1.11.** Payments are valid for a period of twelve (12) calendar months effective from the day of payment. Fees paid are non-refundable.
- 2.1.12.** Applicants rendering the service of security and surveillance using unmanned aerial vehicles (drones) shall obtain and present approval from the Nigerian Civil Aviation Authority (NCAA) and the Office of the National Security Adviser (ONSA).
- 2.1.13.** Enterprises (Business Names) can apply for services under the general category and only the following services under the major category: Legal, Architecture, Quantity Surveying, State/ property management, Accounting/Auditing, Taxation, QA/QC. Such enterprises (business names) shall not be considered for the specialized category.
- 2.1.14.** Applicants can convey feedback on the OGISP portal at any time the application is being processed.
- 2.1.15.** Applications may be submitted at any time during the year and enquiries may be made at <https://ogisp.nuprc.gov.ng>, ogisp@nuprc.gov.ng, celaps@nuprc.gov.ng , or live chat on the portal.
- 2.1.16.** This Guideline is subject to review, at the discretion of the Commission without notice.

2.1. Application Requirements

- (a) All applications must be duly completed and submitted via <https://ogisp.nuprc.gov.ng>.
- (b) Applicants shall submit the information and documents as listed under each category.
- (c) Applicants shall provide correct and functional addresses (registered and operational), Directors' names, Key staff, telephone numbers and e-mail at the time of submission.
- (d) Subsequent change(s) to the registered or operational addresses must be promptly communicated to the Commission's Chief Executive via the NUPRC official email (nuprc@nuprc.gov.ng) and shall attract a cost of five thousand naira (₦ 5,000) only.

2.2.1. Additional Requirements

Applicants shall in addition to the general requirements submit where applicable the following additional information and documentation -

- (a) In the case of professional or institutional certifications or approvals, certified true copies of such professional or institutional certifications or approvals.
- (b) Certificates such as COREN, ISPON, CMD, ICSAN, COMEG, ICN, etc shall be in the name of the Company or an officer of the Company (whose name shall be listed on the OGISP platform) as the case may be.

2.2.2. Document Upload

All required documents must be clearly scanned and uploaded to the portal in PDF format. PNG or JPEG formats are also accepted for single paged documents. Documents shall not exceed 4MB.

2.2. Application Fees

2.3.1. The applicable fees for each category shall include the following:

Table 1: Service Fees			
CATEGORY	STATUTORY FEE (₦)	SERVICE CHARGE (₦)	TOTAL FEE (₦)
General	5,000.00	500.00	5,500.00
Major	25,000.00	2,500.00	27,500.00
Specialized	250,000.00	7,500.00	257,500.00

2.3.2. Payments can be made directly through any Nigerian bank or online via Remita platform. Further payment instructions are available at the point of payment on the OGISP portal.

2.3.3. Payment does not guarantee the issuance of a permit. Permits are issued only after applicants have fulfilled all documentation requirements.

2.3. Payment Validity Period

2.4.1. The validity period for payment for an application shall be 12 calendar months from the payment date.

2.4.2. Application will be deactivated if payments have expired i.e., when payment has lasted for more than 12 calendar months

2.4. How To Apply

Applicants are required to perform the following steps to successfully apply:

Table 2: Application Steps	
Step 1:	Visit https://ogisp.nuprc.gov.ng
Step 2:	Create your company profile / login to your existing company account
Step 3:	Complete the online application form
Step 4:	Make payment
Step 5:	Upload all applicable documents
Step 6:	Submit your application

2.5. Processing Of Applications

- 2.6.1. Application processing involves desktop review.
- 2.6.2. Applications will be processed within three (3) working days. However, major, and specialized categories may be subject to further verification of additional documents. Such applications may take longer to process but may not exceed two (2) weeks.
- 2.6.3. Applications may be returned for the following reasons:
 - (a) Request for upload of documents.
 - (b) Provision for additional information.
 - (c) Request by customers for change of service. A change of service requests attracts additional fees; and
 - (d) Any other reason that the Commission deems necessary.
- 2.6.4. Once an application has been submitted, applicants will be unable to change, replace, or modify documents. Requests for any change must be made to the Commission Chief Executive via email nuprc@nuprc.gov.ng, with celaps@nuprc.gov.ng and ogisp@nuprc.gov.ng in copy.
- 2.6.5. Required documents must be uploaded on the assigned labelled button.
- 2.6.6. Foreign companies shall present proof of Registration with the Ministry of Trade and Investment in line with the new CAMA 2020.
- 2.6.7. All documents in support of an application shall be submitted online. Applicants are not required to submit hardcopy documents.
- 2.6.8. Applicants shall **not** physically visit any of the NUPRC offices in respect of oil and gas industry service permits. Various communication channels are available to applicants. Refer to 2.1.14.
- 2.6.9. Successful applicants can download and print permits from their profiles on the portal.

2.6. Change of Service:

Applicants are allowed to request for service change. However, such request will attract the following fees.

Permit Category	Amount (Naira)
General	2,500.00
Major	10,000.00
Specialized	50,000.00

2.7. Communication Channels

2.7.1. Comments relating to application may be submitted via the "communication pane" on the application portal. The Commission shall not tolerate unprofessional comments.

2.7.2. Applicants may refer to the "news pane" on the application portal for important notices.

3. CATEGORIES OF PERMITS

3.1. General Category

3.1.1. This category covers minor supplies, works and maintenance services that do not require specialized or certified competences. A maximum of one (1) service can be selected from any service group.

3.1.2. Application under the General Category attracts a statutory fee of Five Thousand Naira (₦5,000.00), and Service Charge of Five Hundred Naira (₦500.00) making a total fee of Five Thousand Five Hundred Naira (₦5,500.00) only.

3.1.3. Documents required for General Category include the following:

Table 4: List of Documents for General Category	
S/N	DOCUMENTS
1.	Certificate of Incorporation or Certificate of Registration (for a Business Name)
2.	Certified true copy of other CAC documents
3.	Company's current Tax Clearance Certificate or Income Tax Certificate (for Enterprises)
4.	Nigeria Social Insurance Trust Fund (NSITF) Registration / Payment receipt
5.	Certified true copy of Memorandum & articles of Association (applies to Limited Liability Companies)

3.1.4. The documents listed in Table 4 shall be the scanned copies of the *original* documents.

3.1.5. **Job Groups Under the General Category**

Table 5: List of Services Under General Category	
NO.	SERVICES
1	<p>(A) WORKS (Artisans)</p> <ol style="list-style-type: none"> 1. Minor Welding 2. Minor Plumbing 3. Minor Painting 4. Photography
2	<p>(B) MAINTENANCE (Artisans)</p> <ol style="list-style-type: none"> 1. Minor Civil 2. Minor Mechanical 3. Minor Electrical

3	<p>(C) SUPPLY</p> <ol style="list-style-type: none"> 1. Minor Civil Maintenance Materials 2. Minor Mechanical Maintenance Materials 3. Minor Electrical Maintenance Materials 4. Plumbing Materials 5. Welding Materials 6. Minor Computer Accessories/Consumables 7. Minor Catering Services (Provision of Snacks and Beverages for Meetings, etc.)
4.	<p>Others as may be determined by the Commission Chief Executive (CCE) of The Nigerian Upstream Petroleum Regulatory Commission.</p>

****NOTE that only fully incorporated companies will be able to access services under the General Category from 1st January 2025 ****

3.2. Major Category

- 3.2.1. Under this category, applicants are required to possess relevant and verifiable technical, special skills, and competencies.
- 3.2.2. Application attracts a statutory fee of Twenty-Five Thousand Naira (₦25,000.00), and Service Charge of Two Thousand Five Hundred Naira (₦2,500.00) making a total fee of Twenty-Seven Thousand Five Hundred Naira (₦27,500.00) only.
- 3.2.3. Documents required for the Major Category include the following:

Table 6- List of documents for Major Category	
S/N	DOCUMENTS
1.	Certificate of Incorporation
2.	A certified true copy of Memorandum & Articles of Association.
3.	A certified true copy of other CAC documents
4.	Current Tax Clearance Certificate
5.	Nigeria Social Insurance Trust Fund- (NSITF)
6.	Detailed Company profile
7.	Comprehensive staff list & Curriculum Vitae of key Staff.
8.	Registrations by relevant Professional / Certification body

- 3.2.4. The documents listed in Table 6 shall be the scanned copies of the original documents.
- 3.2.5. Job Groups Under the Major Category

Table 7: List of Services Under Major Category

	11. Medical Consultancy	Medical and Dental Council of Nigeria (MDCN) License
	12. Medical Investigation	Any relevant certification
	13. Legal Services	Call to Bar Certificate, or Nigerian Bar Association (NBA) Membership
	14. Architectural Services	Architects' Registration Council of Nigeria (ARCON) registration
	15. Quantity Surveying and Estate Management	Nigerian Institution of Estate Surveyors and Valuers License. Quantity Surveyors Registration Board of Nigeria (QSRBN) License
	16. Real Estate and Investment Management	Any relevant certification
	17. Local Freight/Clearing and Forwarding	Registration with the Council for the Regulation of Freight Forwarding in Nigeria (CRFFN)
	18. Events Planning	
	19. Hydrogeology	Any relevant certification
	20. Nigerian Manpower Supply (Nigerian Professionals only)	Recruiters Licence from Ministry of Labour and Employment
	21. Background Check and Screening Services	Nigeria Security and Civil Defence Corps (NSCDC) License
	22. Horticulture/Landscaping	
	23. Furnishing and Interior/Exterior Decoration	
	24. Material Safety Investigation	Any relevant certification
	25. Insurance Brokerage	Nigerian Council of Registered Insurance Brokers (NCRIB) Registration
	26. Host Community Advisory Services	
4.	<u>WATER BOREHOLE:</u> 1. Water Borehole Drilling; Borehole Water Treatment; and Borehole Water Maintenance	Nigeria Integrated Water Resources Management Commission
5.	<u>PROTOCOL AND LOGISTICS SERVICES</u> 1. Car/Vehicle Hire and Leasing	
	2. Protocol Services	
	3. Travel Agencies, etc	Nigerian Civil Aviation Authority (NCAA) License
	4. Vehicle Documentation	

6.	<u>ONSHORE WASTE MANAGEMENT:</u> 1. Domestic Waste Transportation (Non-Hazardous) 2. Organic Waste Composting 3. Sewage Evacuation & Disposal 4. Non-Hazardous Waste Transportation 5. Janitorial Services (office/ accommodation cleaning and housekeeping) 6. Onshore Fumigation and Sanitation	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) Certification
7.	<u>INSTALLATION AND MAINTENANCE SERVICES</u> 1. Civil Installation/Maintenance & Materials 2. Mechanical Installation/Maintenance & Materials 3. Electrical Installation/Maintenance & Materials 4. Plumbing Installation/Maintenance & Material 5. Fire & Gas Systems 6. Security and Information Equipment	Council for the Regulation of Engineering in Nigeria (COREN) certification Council for the Regulation of Engineering in Nigeria (COREN) certificate and - Safety Training Certificate or any other relevant certification Nigeria Security and Civil Defence Corps (NSCDC) License
8.	<u>SURVEY:</u> 1. Land/Topographic Survey Services 2. Geodetic Survey services	Proof of Membership of the Surveyors Council of Nigeria
9.	<u>INTEGRITY TEST</u> 1. Surface Storage Tank 2. Underground Storage Tanks (UST) 3. Tanker/Truck tank	Council for the Regulation of Engineering in Nigeria (COREN) certificate
10.	<u>MEDICAL/PHARMACEUTICAL:</u> 1. Pharmaceutical Supplies 2. Medical Equipment Supplies 3. Dietitians 4. Veterinary Services	Pharmaceutical Society of Nigeria License Medical Lab Science Council of Nigeria License Nil Nigerian Veterinary Medical Association (NVMA) Certificate

11.	<u>HOSPITALITY:</u>	
	1. Lodging/Boarding (0 – 25 rooms)	
	2. Onshore Laundry Services, Catering, Housekeeping, and other related services	
	3. Lease of Office Accommodation/Guest House	Registered Real Estate Regulatory body
	4. Recreational Services	
12.	<u>PRINTING:</u>	
	1. Publishing and Corporate Branding (Calendars, Cards, Plaques, Monogramming)	
	2. Educational Material	
13.	<u>AUTOMOBILE:</u>	
	1. Sales and Maintenance of Cars/Vehicles	
14.	<u>PETROLEUM QUALITY MONITORING:</u>	
	1. Petroleum Quality Monitoring (Crude Oil Analysis- BS&W etc.) 2. Petroleum Quality Monitoring- Crude Oil Assay/Fingerprinting 3. Gas Compositional Analysis NOTE that accreditation of laboratories by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).	
15.	<u>BIOMONITORING /BIODEGRADABILITY STUDIES</u>	
	1. Bio-monitoring- Toxicity Testing (Oil Field Chemicals, Whole Effluent Test & Bioaccumulation) 2. Biodegradability Testing 3. Production/Culturing of Toxicity test Species NOTE that accreditation of laboratories by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).	
16.	<u>CHEMICALS/MUD TESTING</u>	
	1. Mud & Cuttings Testing 2. Production Chemicals Testing 3. Production Chemistry Services 4. Production Chemistry Analyses/Studies NOTE that accreditation of your laboratory by NUPRC is required upon issuance of your Oil and Gas Industry Service Permit (OGISP).	

17.	<p><u>ENVIRONMENTAL QUALITY MONITORING</u></p> <ol style="list-style-type: none"> 1. Environmental Quality Monitoring- Water, Soil & Sediment Analysis 2. Environmental Quality Monitoring- Air Quality & Metrological Analysis 3. Fugitive Methane Measurement and Quantification <p>NOTE that accreditation of laboratories by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).</p>	
18.	<p><u>STORAGE /PRESERVATION SERVICES</u></p> <ol style="list-style-type: none"> 1. Onshore Environmental/Waste Management 2. Drilling Support Services <p>NOTE that accreditation of laboratory by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).</p>	
19	<p><u>OIL & GAS TRADING</u></p> <ol style="list-style-type: none"> 1. Crude Oil/Condensate Marketing and Trading 2. Processed Gas Marketing, Trading, and Bulk Utilization 3. Produced Gas Marketing, Trading, and Bulk Utilization 4. Gas Products Marketing, Trading, and Bulk Utilization 5. Petroleum Products (White products) Marketing and Trading 	
20	<p><u>HAULAGE</u></p> <ol style="list-style-type: none"> 1. Petroleum Products Haulage (Gas) 2. Goods/Material Road Haulage 3. Petroleum Products Haulage (White Products) 4. Domestic Waste Transportation 	
<p>Additional services may be determined by the CCE of The Nigerian Upstream Petroleum Regulatory Commission.</p>		

****NOTE that only fully incorporated companies will be able to access services under this Category. ****

3.3. Specialised Category

- 3.3.1. Under the Specialised Category, applicants are required to possess relevant and verifiable technical, special skills, and competences.
- 3.3.2. Application attracts a statutory fee of Two Hundred and Fifty Thousand Naira (₦250,000.00), an Service Charge of Seven Thousand Five Hundred Naira (₦7,500.00) making a total of Two hundred and Fifty-Seven Thousand Five Hundred Naira (₦257,500.00) only.
- 3.3.3. Documents required for Specialised Category includes the following:

S/N	DOCUMENTS
1.	Copy of Certificate of Incorporation
2.	Certified true copy of Memorandum & articles of Association
3.	Certified true copy of other CAC documents
4.	Copy of current Tax Clearance Certificate (TCC)
5.	Nigeria Social Insurance Trust Fund (NSITF) Registration / Payment receipt
6.	Detailed Company profile
7.	Comprehensive staff list & Curriculum Vitae of key Staff.
8.	Registrations by relevant Government Agency / Professional / Certification body

- 3.3.4. The documents listed in Table 8 shall be the scanned copies of the original documents.

3.3.5. JOB GROUPS UNDER THE SPECIALISED CATEGORY

S/N	Service Name	Specification	Additional documentation
1	ONSHORE PIPELINE LAYING AND CONSTRUCTION	1. Non-Destructive Testing (Normal)	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety
		2. Non-Destructive Testing (Radioactive source)	

		<ul style="list-style-type: none"> 3. Corrosion Prevention and Control Services (Cathodic Protection, Coating,) 4. Hydro test 5. Laying of Oil and Gas Pipelines 6. Pipeline Fabrication/Construction 7. Pipeline Procurement 8. Pipe Milling/Threading 	Professionals of Nigeria (ISPON) certificate
2	OFFSHORE PIPELINE LAYING AND CONSTRUCTION	<ul style="list-style-type: none"> 1. Non-Destructive Testing (Normal) 2. Non-Destructive Testing (Radioactive source) 3. Corrosion Prevention and Control Services (Cathodic Protection, Coating,) 4. Hydro test 5. Laying of Oil and Gas Pipelines 6. Pipeline Fabrication/Construction 7. Pipeline Procurement 8. Pipe Milling/Threading 	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
3	FACILITY MAINTENANCE SERVICES	<ul style="list-style-type: none"> 1. Pipeline maintenance 2. Pipeline Monitoring 3. Pipeline Pigging and Inspection 4. Pressure Testing/Leak Detection of Vessels/Pipelines 5. Storage facility maintenance 	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate.

		<p>6. Certification of Safety Critical Equipment, All Valves (RV, PSV, PCV, PVCV, BDV, ESD, HIPPS etc) Gas and Fire detectors, Flow meters, Gauges, Transmitters etc, Pressure Vessels, Heaters/Boilers, Scrubbers, knock out drums, Coalesces.</p>	
		7. Hydro Test	
		8. Non-Destructive Testing (NDT)	
		9. Cathodic Protection and Coating	Council for the Regulation of Engineering in Nigeria (COREN) and National Association of Corrosion Engineers (NACE) membership or similar competence.
		10. Corrosion Prevention & Control Services	
		11. Fugitive Emission Monitoring-Leak Detection and Repair (LDAR)	Institute of Safety Professionals of Nigeria (ISPON) certificate.
4	MAJOR CONSTRUCTION SERVICES	(A) Engineering & Construction:	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		1. Road Construction	
		2. Structural Engineering	
		3. Mechanical Engineering	
		4. Electrical Engineering	
		5. Civil Engineering Construction	
		6. Offshore Scaffolding	
		(B) Installation & Upgrade of Offshore Facilities:	
		1. Installation/Upgrade of On-/Offshore Production Facilities & Platforms	
		2. Storage and/or Export Facilities e.g., Oil Terminals.	
		3. Process Facilities	
		4. FPSO Vessels	
		5. Marine Vessels	
		(C) Installation & Upgrade of Onshore Facilities	
		1. Installation/Upgrade of Onshore Production	
		2. Facilities & Platforms	

		3. Storage and/or Export Facilities e.g., Depots, Jetties	
		4. Process Facilities	
5	AVIATION SUPPORT SERVICES	1. Supply, Installation and Maintenance of Air Navigation / Communication Equipment.	Approved Maintenance Organization (AMO) and Nigerian Civil Aviation Authority (NCAA) license.
		2. Aviation Logistics	
		3. Aviation equipment certification and inspection	
6	DRILLING/PRODUCTION SERVICES	(A) Hoisting & Rig Operations:	Council for the Regulation of Engineering in Nigeria (COREN) certificate Or Council of Nigerian Mining Engineers and Geoscientists certificate (COMEG) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate.
		1. Supply, Hoisting and Operation of Drilling rig	
		2. Casing/tubing running	
		3. Cementing & Liner hanger services.	
		4. Directional Drilling	
		5. Intelligent well completion Services	
		6. Well completion services.	
		7. Well control Monitoring & Management Services	
		(B) Drilling Support Services:	
		1. Hydraulic work over	
		2. Managed Pressure drilling	
		3. Mud Logging	
		4. Pressure Volume Temperature (PVT)	
		5. Well logging	
		6. Stimulation, Pumping, Coiled tubing/slickline	
		7. Wellbore cleanout services	
		8. Tubular Renal Services	
		9. Wire Line Services	
		10. Well testing.	
		11. Drill stem testing	
		12. Bottom Hole Pressure (BHP) Service	
		13. Drilling/Production Chemicals/Material Supply	

		14. Fishing Operations	
		(C) Drilling Rig and Production Drilling	
		1. Drill Ship rig	
		2. Drill stem services	
		3. Drilling fluids/Mud services	
		4. Jack Up drilling rig.	
		5. Semi-Submersible drilling rig	
		6. Swamp drilling rig	
		7. Tender Assisted drilling rig	
		8. Land drilling rig	
		9. Any type of workover rig	
		10. Drilling Rig Acceptance Testing services	
		11. Drilling Rig Pre-Purchase/Pre-hire evaluation services	
		12. Drilling Rig Audit	
		13. Drilling Rig Survey or Conductor piling services	
		14. Casing cutting services.	
		15. Cased hole logging services.	
		16. Cementing Services	
		17. MWD/LWD services	
		18. Liner Float/Hanger and Running Equipment services.	
		19. OCTG services	
		20. Onshore well control services	
		21. Turbine Drilling/Down hole motor services	
		22. Well overhauling/stimulation services.	
		23. Well crisis management services.	
		24. Swamp well control services	
		25. Well Integrity Management	
		26. Well Testing Services	
		27. Wellhead services	
		28. Wellbore cleanout and filtration services	
		29. Welding engineering and Maintenance	

		30. Electrical Logging/Calibration services	
		31. Drilling services - drilling tool rental, etc	
		32. Fishing/wireline services	
		33. Core services	
		34. Cutting injection/cutting disposal services	
		35. Deep water well control services	
		36. Directional surveying services	
		37. Snubbing services	
		38. Reservoir services	
		39. Slickline services	
		40. Rental of drill pipes	
		41. Perforation services	
		42. Plugging services	
		43. Gravel packing services	
		44. Fracturing services	
		45. Fluid/bottom hole sampling services	
		(D)Geosciences/Petroleum Engineering Services	
		1. Geophysical data acquisition	
		2. Geophysical processing and imaging	
		3. Geophysical and hydrographic Site survey services	
		4. Field Development Plan Studies	
		5. 2D/3D/4D Seismic data acquisition services	
		6. 2D/3D/4D Seismic data processing services	
		7. 2D/3D/4D Seismic data interpretation services	
		8. OBC/Electromagnetic Seismic acquisition services	
		9. OBC/Electromagnetic Seismic processing services	
		10. OBC/Electromagnetic Seismic data interpretation services	

		11. Site acquisition services	
		12. Well Velocity survey and processing service.	
		13. Unitization	
		14. Special Geoscience studies	
		15. Survey/positioning services	
		16. Rental of seismic equipment 2D/3D/4D/	
		17. Reservoir management/Audit	
		18. Gravity/Magnetic acquisition and processing services	
		19. Integrated geological and geophysical analysis.	
		20. Navigation/positioning	
		21. Geotechnical Services	
		22. Geoscience Software	
		23. Geoscience Training	
		24. Oceanographic services	
		25. Photogrammetry surveying services	
		26. Petroleum Software	
		27. Petroleum Engineering Training	
		28. Rental of surveying/positioning equipment services	
		29. Production Monitoring	
		30. Production Optimization studies	
		31. Prospect evaluation	
		32. Remote sensing	
		33. Reservoir modelling	
		34. Reservoir studies	
		35. Seismic/Geophysical studies	
		36. Seismic data management	
7	EXPLORATION SERVICES	1. non-seismic geophysical method (Gravity survey, Electromagnetic Survey, Aero Magnetic Survey)	Council for the Regulation of Engineering in Nigeria (COREN) certificate Or Council of Nigerian Mining Engineers and Geoscientists certificate (COMEG)
		2. Supply of Seismic Materials and Explosives	

		3. Bathymetry survey/Seabed Survey	certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate.
		4. Down Hole Data Gathering and Interpretation	
		5. Geotechnical survey Services	
8	TECHNICAL CONSULTANCY	1. Project Management	Project Management Professional certification or Chartered Institute of Project Managers of Nigeria certification Or Prince 2
		2. Production Operations & Process Maintenance	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		3. Research and Development (Technology)	
		4. Training/Manpower Development (Engineering)	The Council for the Regulation of Engineering in Nigeria (COREN)
		5. Reservoir Evaluation & Management Compliance.	Council for the Regulation of Engineering in Nigeria (COREN) certificate OR Council of Nigerian Mining Engineers and Geoscientists certificate (COMEG) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		6. Marine Engineering	
		7. Marine Survey	
		8. Oceanography	Evidence of Professional qualification in Oceanography e.g. (Nigerian Institute for Oceanography and Marine Research)
		9. Aircraft Inspection (QC & QA)	Relevant Approval/Certification/Licence from Nigerian Civil Aviation Authority (NCAA)

		10. Asset Integrity Management/Assurance (e.g., Scaffolding Certification, Safety Audit/Technical Surveys/Risk Management Services)	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		11. Calibration/Meter Proving consultancy.	
		12. Engineering Services	
		13. Environmental Sensitivity Index (ESI) Mapping Geographic Information System (GIS)	Any relevant certification
		14. Environmental Assessment/Studies (EIA, EES, PIA, EBS, etc.)	ISO 14001:2015 certification
		15. Facility Inspection & Maintenance Service	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		16. Security and Surveillance (use of unmanned aerial vehicles (drones))	Nigerian Civil Aviation Authority (NCAA) approval and The Office of the National Security Adviser (ONSA) approval
		17. Information Technology (Hardware and Software management)	
		18. Instrumentation & controls	Council for the Regulation of Engineering in Nigeria (COREN) certificate
		19. Interface Management & Regulatory Compliance	
		20. Lifting Equipment Certification	Register of Lifting Equipment & Non-Destructive Test (NDT) certificates
		21. Rig Inspection	Council for the Regulation of Engineering in Nigeria (COREN) certificate
		22. HVAC	
		23. Offloading/Loading system services	
		24. Process Automation	

		25. Performance Benchmarking studies	
		26. Pre-commissioning and commissioning	Council for the Regulation of Engineering in Nigeria (COREN) certificate
		27. Supply of spares for major critical equipment	
		28. Life Extension studies and Requalification	
		29. Remote Monitoring Services	
		30. Carbon Credit Assessment	ISO 14001/ISPON Certification (EIA)
		31. Offshore Environmental Services (EIA, Seabed Surveys etc)	
		32. Laboratory QA/QC- Reference Material and Proficiency Testing	ISO 17043 certification or affiliation with certified Proficiency Test Provider.
		NOTE that accreditation of laboratories by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP)	
		33. Safety Studies 34. Meteorological consultancy	Council for the Regulation of Engineering in Nigeria (COREN) certificate
9	REFINERY SERVICES	1. Installation/Construction 2. Relocation	Council for the Regulation of Engineering in Nigeria (COREN) certificate
10	PETROCHEMICAL PLANT	1. Fabrication/supply/erection of specialized major equipment like reactors, columns, heaters, heat exchangers, pumps, compressors, gas turbines, instrumentation systems, effluent treatment facilities, firefighting facilities etc. 2. HVAC System services 3. Installation/Construction 4. Logistic	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate

		5. Offloading/loading system services	
		6. Pre-commissioning and commissioning	
		7. Performance Benchmarking studies	
		8. Process Automation	
		9. Life Extension studies and Qualification	
		10. Supply of spares for major critical equipment	
		11. Supply of catalysts and chemicals	
		NOTE: (Only one (1) service will be assigned to a permit)	
11	SUPPLY OF CATALYST AND CHEMICALS	1. Supply of catalysts and chemicals (LNG)	
		2. Supply of Catalysts and Chemicals (GTL)	
12	FPSO/FLNG/FLPG SERVICES	1. Marine Hull and Mooring services	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) Certificate.
		2. Vessel Leasing.	
		3. Vessel Conversion	
		4. Vessel Leasing.	
13	FLOATING, STORAGE AND OFFLOADING (FSO)	1. FSO Conversion	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate.
		2. FSO Leasing.	
		3. Installation/Construction/Hook-up	
		4. Marine Hull and Mooring services	
		5. Offloading system services	
		6. Safety Engineering studies	
14	MOBILE OFFSHORE PRODUCTION UNIT (MOPU) /OFFSHORE PROCESSING UNIT (OPU)	1. Marine Hull and Mooring services	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		2. MOPU/OPU Leasing.	
		3. MOPU/OPU Conversion	
15	SPECIAL TRANSPORTATION SERVICES	1. Air Transportation	Nigerian Civil Aviation Authority (NCAA) License
		2. Sea Transportation	Nigerian Maritime Administration and Safety
		3. Marine Vessels Supply and Operation	

		4. Offshore Operation Support Services (e. g. Marine Security & Escort, Mooring Services, House Boats, Barges,)	Agency (NIMASA) License or Marine Insurance
		5. Rig Move and Deployment Logistics	
16	DREDGING SERVICE	1. Dredging	Annual Survey & Operations Permit from National Inland Waterways Authority (NIWA)
		2. Hydraulic Water Channel Maintenance	
		3. Shore Consolidation	
		4. Land Reclamation	
17	WASTE MANAGEMENT SERVICES	1. Tank Vessel Cleaning	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) certification
		2. Water-Based Mud management	
		3. Waste Re-injection/ Injection (Drill Cuttings/Produced Water/NORM)	
		4. Pneumatic bulk drill cutting transfer.	
		5. Hazardous Waste Transportation	
		6. Installation/Operation of Recyclable Waste Depot	
		7. Installation and/or Operation of wastewater treatment equipment	
		8. Maintenance and Operation of Incinerators	
		9. Maintenance and Operation of Sewage Treatment Plant	
		10. Offshore Evacuation of Drill Cuttings	
		11. Secondary Waste Management (Residual Ash/sand/sludge from Waste Treatment Facilities)	
		12. Composting	
		13. Offshore/Swamp fumigation and sanitation	
NOTE: Accreditation of a Waste Management Facility by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).			

18	NATURALLY OCCURRING RADIOACTIVE MATERIALS (NORM) MANAGEMENT SERVICES	1. Naturally Occurring Radioactive Materials (NORM) Assessment and Monitoring	
		2. Naturally Occurring Radioactive Materials (NORM) Waste Management	
		3. Survey and Decontamination of Naturally Occurring Radioactive Materials (NORM) in Oil and Gas Installations	
NOTE: Accreditation of equipment by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).			
19	WASTE MANAGEMENT FACILITY OPERATIONS SERVICES:	1. Thermal Desorption Unit (TDUs)	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) certification
		2. Incinerators	
		3. Sewage Treatment Plant (STP)	
		4. Wastewater Treatment Facility	
		5. Produced Water Treatment Plants	
		6. Oily Sludge/Waste Oil Recycling Facility	
		7. Recyclable Waste Collection/Transfer Station (Spent Batteries, Used Tyres, Fluorescent Bulbs, Scrap metals, E-Waste etc.	
		8. Engineered Landfill	
20	ENVIRONMENTAL RESTORATION SERVICES	1. Soil Remediation	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) certification
		2. Pit Backfilling and Land Reclamation.	
		3. Oil Spill Control/Clean-Up	
21	ROBOTIC UNDERWATER SERVICES	1. ROV (Remote Operated Vehicle) Operation and associated services	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) certification and NIMASA certificate of registration or any relevant certification
		2. Autonomous Underwater Vehicle (AUV) operations & associated services	
22	HOSPITAL/MEDICAL SERVICES	1. Health Management Services	Health Facility Monitoring and Accreditation Agency

		2. Hospital Retainership	(HEFAMAA, Lagos state)
		3. Hospital services	License or Medical and Dental Council of Nigeria (MDCN) License
		4. Surgery & similar medical procedures	Medical and Dental Council of Nigeria (MDCN) License or Evidence of membership of NMA
		5. Industrial Hygiene: Radiation, Safety monitoring and control	Nigeria Nuclear Regulatory Authority (NNRA) approval
23	HEAVY DUTY EQUIPMENT SUPPLY, INSTALLATION & MAINTENANCE SERVICES	1. Generators	Proof of ISO 9001:2015 or 14001:2015 certifications
		2. Pay-loaders.	
		3. Reamers	Council for the Regulation of Engineering in Nigeria (COREN) certificate
		4. SBM	
		5. Separators	
		6. Risers	
		7. Shale Shakers	
		8. Skips	
		9. Subsea Equipment	
		10. Swamp-buggies	
		11. Tanks	
		12. Transformers	
		13. Valves (12 inches & above)	
		14. Turbines	
		15. Well Head Jacket	
		16. Fire Truck	
		17. Forklifts	
		18. Drill bits	
		19. Filtration Unit	
		20. Baskets	
		21. Blowout preventers	
		22. Bottom Hole Assembly	
		23. Diving equipment & Accessories	
		24. Centrifuges	
		25. Christmas Tree	
		26. Compressors	
		27. Containers	
		28. Cranes	
		29. Caterpillars	
		30. Elevators (Lifts)	

		31. Excavators	
		32. Gas process equipment, Spares & Accessories	
		33. Humidifier	
		34. HVACS/Accessories	
		35. Lifeboats/Life rafts	
		36. LP/HP Pumps	
		37. OCTG/Pipes	
		38. Sewage Treatment Plant (STP)	
		39. Produced Water Treatment Facility	
		40. Thermal Desorption Units (TDUs)	
		41. Incinerators	
		42. Tank Cleaning Equipment	
		43. Waste Haulage Trucks/Vehicles	
		44. Waste Skips	
24	MARINE SERVICES/INSTALLATION	1. Deepwater Riser/Pipeline Construction services	
		2. Diving support vessel	
		3. Dredging services	
		4. Dump Barges	
		5. Emergency Response and Rescue Vessel	
		6. Vessel vetting inspection services.	
		7. Float over barge	
		8. Heavy Lift vessel	
		9. Marine Warranty Surveyor	
		10. Mooring system services	
		11. Offshore Supply vessels	
		12. Onshore Pipeline Construction	
		13. Pipelaying vessel	
		14. Platform Supply vessel	
		15. ROV Technology Services	
		16. Seabed Intervention - (rock dumping, umbilical trenching, etc)	
		17. Submersible Heavy Lift Vessel	

		18. Subsea Integrity Management services	
		19. Subsea Metrology	
		20. Subsea Pipeline protection services	
		21. Supply of manning crews for vessels	
		22. Accommodation platforms/floaters	
		23. Anchor handling vessels	
		24. Cable laying services	
		25. Construction Support Vessel	
		26. Crane Barge services	
		27. Crane Vessel	
		28. Supply of subsea Christmas (XMAS TREES) intervention and workover systems	
		29. Supply vessel	
		30. Swamp pipeline construction	
		31. Tugboats	
		32. Under Water Inspection In lieu of Dry Docking (UWILD)	
		33. Diving equipment & accessories	
		34. Supply, Installation, and Maintenance of Marine Equipment	
		35. Marine Logistics	Nigerian Maritime Administration and Safety Agency (NIMASA) License and (or) Marine Insurance
		36. Cargo Handling/Storage	Custom License
25	COMMUNICATION SERVICES	1. Telecommunication operators	Nigerian Communications Commission (NCC) License
		2. ISP Providers	
		3. Cable network	National Broadcasting Commission License
26	FINANCIAL SERVICES	1. Financial & Management Advisory Services	ICAN and the Association of National Accountants of Nigeria (ANAN) Membership or Financial Reporting council of Nigeria License
		2. Financial Management consultancy	Membership of a professional body e.g.,
		3. Banking Services	ICAN and the Association

		4. Accounting/Auditing Services	of National Accountants of Nigeria (ANAN) Membership Financial Reporting Council of Nigeria License or The Chartered Institute of Taxation of Nigeria Membership
		5. Taxation	The Chartered Institute of Taxation of Nigeria Membership
		6. Monetary Intermediation / Credit Granting Services	
27	INSURANCE SERVICES	1. Life Insurance Services: Claims	Nigerian Council of Registered Insurance Brokers (NCRIB) Registration or National Insurance Commission (NAICOM) license
		2. Non-Life Insurance Services	
		3. Insurance Matters	
		4. Pension Funding Services	National Insurance Commission (NAICOM) license
28	HYDROCARBON MEASUREMENT	1. Fiscalization	Council for the Regulation of Engineering in Nigeria (COREN)
		2. Crude oil loading Cargo Survey	
		3. Gas loading cargo survey	
		4. Meters & Flow Meters	
29	INTERNATIONAL FREIGHT/CLEARING AND FORWARDING	1. Bulk Haulage	Customs License
		2. Courier Services	Nigerian Postal Service (NIPOST) License
		3. Clearing and forwarding	
30	HYPERBARIC SERVICES	1. Divers' Fitness Certification	Medical Examiner of Divers Qualification
		2. Hyperbaric Oxygen Therapy (HPOT) and Associated Services	Diving Medical Physician Qualification
31	HOSPITALITY SERVICES	1. Lodging/Boarding (26 rooms and above)	Nigerian Tourism Development Corporation (NTDC) Certificate
32	MANUFACTURING SERVICES	1. Product/materials manufactured are to be specified.	Manufacturer Conformity Assessment Program Certification (MANCAP) (Company Certification) or Council for the Regulation
		2. Woodworks	
		3. Valves	

		4. Gas cylinders	of Engineering in Nigeria (COREN) Certificate.	
		5. Cables		
		6. Ropes		
		7. Christmas trees		
		8. Chemicals/paints/coatings/sealants		
33	ENVIRONMENTAL RESTORATION SERVICES	1. Soil Remediation		
		2. Pit Backfilling and Land Reclamation.		
		3. Oil Spill Control/Clean-Up		
NOTE that accreditation of equipment by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).				
34	LOCAL GAS DISTRIBUTION SERVICES	1. Natural Gas Distribution Services		
35	ROPE ACCESS	1. Rope Access Service	IRATA Qualification or similar training competence or Construction Industry Record scheme (CISRS) OR similar training competence	
36	OIL AND GAS TRAINING	A. OIL AND GAS TRAINING SERVICES (HEALTH)		
		1. Rig Medic	Medical and Dental Council of Nigeria (MDCN) License	
		2. Advanced Cardiovascular Life Support (ACLS)		
		3. Emergency Response Training (Medical)		
		4. Life Support		
		NOTE: Accreditation of your training centre by NUPRC is required upon issuance of your Oil and Gas Industry Service Permit (OGISP).		
		B. OIL AND GAS TRAINING SERVICES (SAFETY)	OPITO certification or its equivalent	
		1. Basic Offshore Safety Induction Emergency Training (BOSIET), Tropical BOSIET, Further Offshore Emergency Training (FOET), Tropical FOET		
		2. Helicopter Underwater Escape Safety Training (HUET), Tropical HUET		
		3. Helicopter Support (Helicopter Landing Officer, Helideck Team Member)		

		4. Water Survival/Swing Rope Training	
		5. Travel safely by boat training	
		6. Standards of Training, Certification, and watchkeeping for Seafarers' training	
		NOTE that accreditation of a training centre by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).	
		C. OIL AND GAS TRAINING SERVICES (PROCESS SAFETY)	Council for the Regulation of Engineering in Nigeria (COREN)
		1. Process and Technical Safety Training	
		2. Accident investigation	
		3. Inspection and Maintenance Training, Facilities & Asset Integrity (Rig, Pressure Vessels, Pigging, Tanks, NDE)	
		D. Oil and Gas Training Services (Work at Height and Lifting)	
		1. Lifting Operations and Lifting Equipment Training	Lifting Equipment Engineers Association (LEEAA)
		2. Scaffolding Training	NEBOSH Certificate
		3. Work at Height/Rope Access Training	
		E. OIL AND GAS TRAINING SERVICES (GENERAL)	Institute of Safety Professionals of Nigeria (ISPON) Certification
		1. Confined Space Entry Training	
		2. Advanced Medical and First Aid Training	
		3. Advanced Fire Safety Training	
		4. Emergency Rescue Training	
		5. Welding Training	
		6. Diving Personnel Certification	
		7. Diver medical courses; and refresher	
		8. Diving supervisor training	
		9. Diving Life support training	
			NOTE that accreditation of a training centre by NUPRC is required upon issuance of

			an Oil and Gas Industry Service Permit (OGISP).
		F. OIL AND GAS TRAINING SERVICES (ENVIRONMENT)	
		1. Oil Spill Response Training	ISO 14001 or Institute of Safety Professionals of Nigeria (ISPON) certification
			NOTE that accreditation of a training centre by NUPRC is required upon issuance of an Oil and Gas Industry Service Permit (OGISP).
37	Heavy Equipment Hire & Leasing Only	1. Vehicles	Register of Lifting Equipment & Non-Destructive Test (NDT) certificates
		2. Lifting/Rotating	
		3. Shackles, slings, chains	Fitness/ competency certificate of the machine
38	ENGINEERING DESIGN/SUPPORT SERVICES	1. Engineering Design - Onshore Gas Conditioning (hydrocarbon/water dew pointing facility)	Council for the Regulation of Engineering in Nigeria (COREN) certificate and Institute of Safety Professionals of Nigeria (ISPON) certificate
		2. Engineering Design - Onshore Gas Processing Plant (fractionating plant)	
		3. Engineering Design - Onshore Petroleum Storage Depot	
		4. Engineering Design - Onshore Pipeline	
		5. Engineering Design - Onshore Terminal	
		6. Engineering Design - Subsea Pipeline and Riser Engineering	
		7. Engineering Design - Subsea Processing	
		8. Engineering Design - Subsea Risers, Flowlines & Tie-ins	
		9. Engineering Design - Subsea Tree systems	

		10. Engineering Design - Subsea Umbilical & Cables	
		11. Engineering Design-Sub-Sea Controls & Measurements	
		12. Engineering Design -Onshore Flow station	
		13. Engineering Design - Swamp/shallow water facilities	
		14. Supply of manpower to EPF Operations	
		15. Technical & production services	
		16. Telecommunication Services	
		17. Third Party Classification services	
		18. Third Party Certification services	
		19. Third Party Verification consultancy	
		20. Engineering Design - Swamp/Shallow/Offshore Pipeline	
		21. Engineering Design - Subsea power/ supply/distribution	
		22. Engineering Design - Installation Engineering	
		23. Electrical/ Automation/Telecom (EIT)	
		24. Engineering - Subsea Technical Services	
		25. Engineering - Subsea Production services	
		26. Engineering Design - Onshore Compressor station	
		27. Engineering Design - Early Production Facility	
		28. EPC Topsides	
		29. EPC Floaters	
		30. Equipment Refurbishment services	
		31. Topsides engineering	

		<p>32. Marine engineering & mooring design</p> <p>33. Marine Technology</p> <p>34. Material Technology / Anticorrosion / Surface Protection Services</p> <p>35. Safety Engineering Systems</p> <p>36. Other mechanical equipment/system</p> <p>37. Project Administration Services</p> <p>38. Subsea Tooling/Connectors</p> <p>39. Administration & IT services</p> <p>40. Fire and Gas Protection System Services</p> <p>41. Marine Warranty Surveyor services</p> <p>42. Cranes</p> <p>43. Design and Manufacture of Rotating equipment</p> <p>44. Facilities life extension studies</p> <p>45. Facilities Obsolescence management</p> <p>46. Hydrodynamic / Aerodynamic Services</p> <p>47. Leasing of Early Production Facility</p>	
	NOTE: All IOC design outfits need appropriate service permits for service rendered		
39	DECOMMISSIONING SERVICES	<p>1. Decommissioning studies</p> <p>2. Well Plug and abandonment</p> <p>3. Decommissioning topsides preparatory works</p> <p>4. Topside and topside structure removal and recycling</p> <p>5. Subsea infrastructure removal and remediation</p> <p>6. Decommissioning site monitoring</p>	Council for the Regulation of Engineering in Nigeria (COREN) certificate or Institute of Safety Professionals of Nigeria (ISPON) Certificate
40	CERTIFICATION SERVICES	<p>1. Quality Management Systems certification</p> <p>2. Qualification of new technology</p>	

		<ul style="list-style-type: none"> 3. Environmental Management Systems Certification 4. Safety Management Systems certification 5. Evaluation and certification of software and electronic 6. Information Management Security certification 7. Certification of Welders 8. Certification of NDT Personnel 9. Certification of machinery 10. Certification of Cranes and Lifting Appliances 11. Certification of Pressurized Equipment 	
41	3RD PARTY FPSO/ FSO LEASING AND OPERATION SERVICES	<ul style="list-style-type: none"> 1. 3rd Party FPSO/ FSO Leasing 2. 3rd party FPSO/ FSO Operation 	Council for the Regulation of Engineering in Nigeria (COREN) certificate
42	LABORATORY SERVICES	<ul style="list-style-type: none"> 1. Core Analysis 2. Core Sampling 	
43	LAB, SAFETY & CHEMICAL SUPPLIES SERVICES	<ul style="list-style-type: none"> 1. Installation/ Maintenance of Fire Alarm System 2. Installation & Maintenance of Fire Fighting Equipment 3. Laboratory/Analytical Equipment Supply 4. Oilfield (Drilling/production) Chemicals Supply 	
44	CHEMICAL PRODUCTION SERVICES	<ul style="list-style-type: none"> 1. Production Chemicals formulation/ Blending 	
45	DIVING SERVICES	<ul style="list-style-type: none"> 1. Air Diving (less than 100m) 2. Saturation/Closed Bell Diving (100m) 	
46	SUBSURFACE / RESERVOIR MANAGEMENT	<ul style="list-style-type: none"> 1. Enhanced Hydrocarbon Recovery Services 	
47	CALIBRATION SERVICES	<ul style="list-style-type: none"> 1. Calibration of Underground Storage Tanks of Retail outlets only 2. Calibration of Surface Storage Tanks of Retail outlets (LPG, CNG, LNG etc) 3. Calibration of Truck Tankers 4. Laboratory Equipment 	<p>Council for the Regulation of Engineering in Nigeria (COREN) certificate</p> <p>ISO 17025 certification</p>

		5. Calibration of Petroleum Storage Tanks of Depots	Council for the Regulation of Engineering in Nigeria (COREN) Certificate
		6. Calibration of Petroleum Storage Tanks of Flow stations, oil terminals, and other Upstream Facilities	
		7. Oil and Gas Measurement/equipment (Custody transfer equipment)	
		8. Relief/pressure safety valves certification	

4. REVIEW

These Guidelines are subject to review without notice, at the discretion of the Commission's Chief Executive.

5. GLOSSARY

Abbreviations, terms, and references used in this document are explained as follows:

CAMA	Companies and Allied Matters Act
HSE	Health Safety and Environment
ICT	Information Communication Technology
NUPRC	Nigerian Upstream Petroleum Regulatory Commission
OGISP	Oil and Gas Industry Service Permit

Approved by	
Engr. Gbenga Komolafe <i>FNSE</i> (Commission Chief Executive, Nigerian Upstream Petroleum Regulatory Commission)	
Date	01-01-2024
